

Executable simple-profit Development

Charted procedure: FORCED_SELECTED

OOF signals: 355

2017-2020 only; 2021+ unopened

Entry is next legal minute open; target U is sellable no earlier than T+1; 40 bp costs.

These are Development diagnostics, not validation. Every selected OOF signal is included. Green title = net winner; red title = net loser.
